Manor Cars are proud to offer this rare example of the Chevrolet SSR Convertible Pickup. Finished in Metallic Blue with a Silver Wrap over the bonnet, roof and tailgate (Easily removable). As well as a heated Black Leather Interior. Complete with LPG Conversion and twin tanks in the rear loading area. We've been advised this gives the truck a range in excess of 1,000 between fill ups. It also benefits from having the later LS2 6.0 litre V8. Well known for being fitted to the C6 Corvette. The truck does have a category D marker on the car for some minor damage to the front wing. Because of the importing of parts the insurer decided not to repair and the previous owner, had it professionally repaired at his own cost. Buy with confidence from our friendly, family run business with flexible viewing times 7 days a week, please call for a viewing. All our vehicles are thoroughly checked HPI clear, complete with a certificate. Comprehensive warranty included. We offer a wide range of finance ...
